

Moonlite Sno-skimmers
01/19/22

Attendees:

Mark Bradeen
Shaun Breton
Rebecca Breton
Steve Palanza

Presidents:

- State has received and accepted grant application \$6300
- Plan to redo GPS plotting of current trails. Send to MSA and Royal River
- Still waiting on CMP to connect electricity at the club house (Greely Road)

Trail Master:

- Trails currently closed
- Took the new groomer out to try it out. Current hitch on the new groomer will need to be modified to allow twist and flex.
- Anti rotation bar on one of the ATV tracks snapped and will need to be welded (per owner of ATV tracks)
- Finished posting signs on the far side of Rines Forest
- New trail maps have arrived and need to be put up
- Look into map holders for Kiosks
